AMERICA'S LEADING COIN AUCTIONEERS

ALL BIDDERS PLEASE READ

Terms Governing This Sale

Bidders unknown to us will please furnish bank or other references or deposit 25 per cent with their bids and it is agreed that remittance will be made upon receipt of invoice if references are not furnished.

Any coin which is not satisfactory may be returned within five days from date of receipt for full refund. **You must be satisfied. PAYMENT TO BE MADE UPON RECEIPT OF MERCHANDISE.** Coins remain our property until paid for. There will be no charge for executing your bids but the purchasers will be required to pay the postage and insurance on their purchases. If you do not wish coins sent airmail please note this on your bid sheet.

We shall welcome your bids and will try to purchase the coins as much below your bids as possible. **PLEASE BID BY THE LOT.** Unlimited bids are executed at an advance of 5 per cent over the next highest bid. Numbers in () are the quantity of that item.

If you are interested in any particular coin, we shall be glad to have you write us for full information. **LOTS CANNOT BE BROKEN.** Be sure you bid on the correct lot as we cannot be responsible for errors in bidding.

NOTICE TO NEW BIDDERS

Our Mail Auction Sales Are Conducted in the Following

1. Bids are entered in the order received; if identical bids are received, the first bidder is awarded the lot. **SEND BIDS AIRMAIL—IT PAYS.**

2. The highest bidder on the date of the sale is awarded the coin at a slight advance over the second highest bidder. **Bids you send in are the maximum you are willing to pay for the coin. WE, AS YOUR AGENT, TRY TO BUY THE COIN AS LOW AS THE NEXT HIGHEST BID WILL ALLOW.**

3. Valuations placed in the auction catalog are catalog prices, prices generally asked by dealers when the coin is in stock, or prices generally realized at auctions.

ANY COIN WHICH IS NOT AS REPRESENTED MAY BE RETURNED WITHIN FIVE DAYS FROM DATE OF RECEIPT FOR FULL REFUND. YOU TO BE THE SOLE JUDGE AS TO CONDITION. YOU MUST BE SATISFIED. No, you won't receive a nasty letter for returning a coin—instead you will receive a letter thanking you for calling attention to the error made in cataloging. While we try to describe coins as accurately as possible, it is inevitable that an occasional error is made in the cataloging of thousands of coins each month. Whenever this happens, we want it called to our attention to help prevent future errors.

The coins will be on display the day of the sale at our offices and can be seen by appointment any day prior to the sale.

If you are not interested in these sales, won't you advise us so we may discontinue sending you catalogs.

Any coins may be inspected prior to the sale, collector to pay postage and insurance both ways.

**YOU WILL WANT A PRICE LIST OF THIS SALE
TO KNOW WHAT COINS ARE BRINGING
PRICE LIST OF SALE \$1.00**

IS THIS YOUR FIRST AUCTION CATALOG?

Proof coins, branch mints 1892-1934 unc., currency and commemoratives seem to be rising the most rapidly at present with most bringing close to listed values and a great number bringing even more. Many are rising from month to month with a number "just not obtainable." The coins most in demand will have the greatest number of bidders and with the law of supply and demand working, these coins keep setting new records.

Occasionally a collector writes us asking why our estimated values in some instances are higher than the catalog listing. This occurs when the demand is so great and the supply so small that new records are set whenever these coins come upon the market. If one will take a few moments to reflect, he will understand that it takes several months to compile the necessary information before the catalog can be published, therefore, it is inevitable that the catalog listing will be under the prevailing market price on the items in popular demand at the time of the publication. **The estimated prices are entered only after careful examination of the results obtained in our past sales which reflect the actual and not theoretical value. (PLEASE NOTE THAT MANY OF THE ESTIMATES ARE CATALOG VALUE ONLY. MANY OF THE GOLD COINS, SILVER \$1, WASHINGTON QUARTERS, ETC. ARE ESTIMATED AT CATALOG.)** in the final analysis, you the collector, are the one who sets the price.

BIDS ARE RECORDED AS FOLLOWS: Each bid sheet is given a number as it comes in, and the bids are recorded. In the event of identical bids, the first bidder receives the lot. At the last day of the sale, the books are closed with the highest bidder on each lot being awarded the lot at an advance of not over 5% above the next highest bidder. For illustration—the two highest bids received on a lot may be \$17 and \$20. The highest bidder who bid \$20 would receive the lot at \$17.25. We act as your agent and use your bids as a limit—not as a final bid unless we are forced to do so to obtain the lot. We accept unlimited bids which generally assures the bidder of obtaining that lot regardless of what the highest bid may be. Where the lot is bringing far more than we believe it is worth or in the event of two unlimited bidders on the same lot, we notify the unlimited bidders by phone or wire, if necessary, in order to obtain a fixed limit to the bid. Even tho auction purchases are supposed to be final, we do not want you to keep any lots which you believe are improperly described. We endeavor to treat our customers as we would wish to be treated. Coin collecting is a personal hobby which makes life a little more pleasant. We try to keep it on a friendly basis and value the many friends we have made thru the years. If you have any complaints, we want to hear them as well as any compliments.

**YOUR SUCCESSFUL BIDS WILL INSURE YOUR RECEIVING THESE
SUCCESSIVE CATALOGS WITHOUT INTERRUPTION.**

BARGAINS GALORE

In every sale, some lots go at "bargain prices." May we suggest that in addition to bidding on those lots you "really want," you place nominal bids on those lots that "you might buy if they went at bargain prices." While you may not obtain many of these "bargain lots," yet in every sale you may pick up some real bargains.

Sincerely,

A. M. KAGIN and PAUL* KAGIN.

SPECIAL DEFERRED PAYMENT PLAN

So that you will not miss this unusual auction sale, we will help you spread the payment for the lots you may succeed in buying. If you have not already established credit with us, send in two adequate credit references before the time of the sale. Indicate on your bid sheet that you wish to take advantage of our Deferred Payment Plan. Upon receipt of the lots on which your bids were successful, send in 50 per cent of the amount due IMMEDIATELY, 25 per cent within thirty days, and the remaining 25 per cent within sixty days from date of the sale. In this way you will have the opportunity to buy at "cash" auction prices, yet pay over a convenient period.

SOMETHING NEW HAS BEEN ADDED

We wish to call your attention to the new service extended as per the bottom of the **bid sheet**. After receiving requests to apply the amount saved in the awarding of successful bids below the bids authorized we decided to avail this service to all of our clients. It is often exasperating to lose a lot by a few nickels when the amount saved on the successful bids would have been sufficient to increase the original bid to the point necessary to receive the lot. Check the bottom of your bid sheet.

WE EXTEND TO YOU OUR MANY FRIENDS AND CLIENTS

Our sincere wishes for a Merry Christmas and a Happy Numismatic Year. Your continued support enables us to maintain our Monthly Auction Sales which average from \$50,000.00 to \$128,000.00 per sale, thereby permitting us to continue using our slogan, "America's Leading Coin Auctioneers." To you, our valued friends and customers, belong the credit for making mass merchandising with personalized attention possible. We want to hear your complaints as well as your good wishes.

A. M. and PAUL KAGIN.

1856 FLYING EAGLE CENTS

- 554—1856 FLYING EAGLE, BRILLIANT PROOF. SETTING NEW RECORDS NEARLY EVERY TIME OFFERED. VERY RARE. SHOULD BRING \$500 IN THE NEAR FUTURE BUT FOR THE PRESENT WILL PROBABLY BRING CLOSER TO \$400. It is interesting to note that when this coin brought \$30 in 1938 it was "too high," when it brought \$100 it was "too high" and when it brought \$300 a year ago it was "too high." When it reaches \$1,000.00 (probably in 4 or 5 years) it will still be -'too high." Should prove to be an excellent investment.
- 555—1856 IN PURE NICKEL (AW-204) PROOF WITH SLIGHT PATINA. ONLY 8 STRUCK 600.00
- 556—1856 Copper-Nickel but has more nickel than the regular 1856 giving it a whiter color, BRILLIANT PROOF, tiny nick in field. VERY RARE. Not listed in AW. 600.00

MERCURY DIMES UNCIRCULATED

Another difficult set to assemble in gem uncirculated condition. Should prove to be a good investment at today's prices. Just check prices of two or three years ago compared to today's. We believe prices in the next two years will increase at an even faster tempo, especially for those in gem condition.

LIBERTY STANDING QUARTERS

Difficult to complete uncirculated but in FULL HEADS a nearly impossible task which should prove to be rewarding in pleasure as well as financially. Just compare prices of two or three years ago with those of today — then consider the influx of new collectors. Inevitably, they must show a substantial rise in the near future.

SMALL SIZE CANADA NATIONALS

Undoubtedly many "sleepers" exist since these are not current — in fact, the bulk has been redeemed and destroyed. Since only a few nationals were issued (due to consolidation and elimination of most of the banks during the 1930's) it is not an impossible task to assemble a set of notes from each of the banks. Should prove to be profitable as well as give considerable pleasure.

YOU MUST BE SATISFIED

Our Sales Are Cataloged With You in Mind. If you have any suggestions, complaints, compliments (yes we receive some now and then), we want to hear them. Having cataloged over one hundred sixty successful coin auctions, we believe we are qualified to advise and help you with your numismatic problems. No, we don't "know-it-all" but we do know where to obtain the information we don't have.

We have a number of want lists on hand for the scarce and rare United States coins and currency. Our average commission for obtaining these specimens is only 10 per cent, therefore we believe we can pay the top price for your choice and scarce pieces, no matter how rare. Don't you think it is worth a 6¢ airmail stamp to find out what we would pay for your outstanding pieces? Naturally we buy collections, too.

WANT LISTS FILLED

We now have available one of the finest stocks of United States coins and currency in existence today. Whether you need an outstanding rarity or the "graden variety," we are prepared to fill your want list. THE TOUGHER THE BETTER.

ATTENTION SUPER-CRITICAL COLLECTORS
